With respect to the nonpublic version of the modification that is filed under seal, the Postal Service hereby incorporates its Application for Non-Public Treatment filed in conjunction with its notice dated December 18, 2015 in this docket. Request of the United States Postal Service to Add Global Expedited Package Services - Non-Published Rates 9 (GEPS - NPR 9) to the Competitive Products List and Notice of Filing GEPS - NPR 9 Model Contract and Application for Non-

⁴ The Postal Service acknowledges that the Postal Regulatory Commission (Commission) has requested that the Postal Service file requests for extensions of contracts a week or more prior to the expiration date of a contract. The customer signed the modification on August 25, 2017, and the Postal Service signing authority received the modification on August 25, 2017.

MODIFICATION FOUR TO THE GLOBAL CUSTOMIZED MAIL AGREEMENT BETWEEN THE UNITED STATES POSTAL SERVICE AND

This Modification amends the Global Customized Mail Agreement ("Agreement") between ("Mailer"), with offices at postal Service ("USPS"), an independent establishment of the Executive Branch of the United States Government, with offices at 475 L'Enfant Plaza SW, Washington, DC 20260-9998, signed by the Mailer and by the USPS on April 29, 2016, and as revised by Modification One signed by the Mailer and by the USPS on May 17, 2017, by Modification Two signed by the Mailer and by the USPS on June 21, 2017, and by Modification Three signed by the Mailer on July 17, 2017 and by the USPS on July 19, 2017. All other terms and conditions of the Agreement shall remain in force.

The Parties acknowledge and understand that all obligations of the USPS under this Modification shall be contingent on the USPS receiving approvals (hereinafter "Conditions Precedent") from one or more internal and external bodies that have oversight responsibilities. The Parties acknowledge that this Modification may not be approved by such individuals or bodies. Until such time that all Conditions Precedent are fulfilled that are necessary to allow the USPS to provide the products or services contemplated under the Agreement, no obligation shall exist for the USPS and no benefit shall inure to either Party. In the event that the Conditions Precedent are not fulfilled, the USPS shall have no liability, which shall include no obligation to pay costs associated with any action taken by the Mailer prior to the Effective Date of this Modification. Further, in the event of termination of the Agreement or the failure of any Condition Precedent, the USPS shall not be held liable for any damages including, without limitation, actual, special, indirect, incidental, punitive, consequential, or any other damages, which shall include but not be limited to damages for loss of business profits; business interruption; any other loss; and/or any costs incurred by either Party attributable to such non-approval such as attorney's fees.

In addition, the USPS may be required to file information in connection with this instrument (including revenue, cost or volume data) in other Commission dockets, including the Commission docket number for the Annual Compliance Report (ACR) for the USPS fiscal year(s) in which this Agreement is in effect. Each ACR docket has a distinct docket number, such as ACR201#, in which "201#" signifies the USPS fiscal year to which the ACR pertains. The Mailer has the right, in accordance with the Commission's rules, to address its confidentiality concerns directly with the Commission. The procedure for making an application to the Commission for non-public treatment of materials believed to be protected from disclosure is found at Title 39, Code of Federal Regulations, Section 3007.22 found on the Commission's website, http://www.prc.gov/Docs/63/63467/Order225.pdf.
